

Hi Jim,

I am at work now waiting to go home. We have been working 6-7 days a week, so we'll be glad when it lets up.

Well, you have one more year to go! Are you & Vickie going to do something special for your birthday? It seems when-

about
you two, ~~it~~ seems
you are going some-
place. Did you have
a good time in
San Francisco?

Mike & I
bought a new stereo
cassett player this
week end. I just
love the FM stereo
and I can't wait
to try the cassetts.

The weather is
really getting nice
here now. Have a
happy birthday. Mary
